NDUGA- The Infantry Battalion Task Force (Satgas Yonif) 503/Mayangkara, a

key unit under the **HABEMA Operations Command**, continues its mission to safeguard the **RI-PNG border** while delivering **essential health services** to the local communities in **Nduga Regency, Papua**. On **Saturday, February 8, 2025**, the **Yonif 503/Mayangkara Mobile Border Security Task Force** provided free medical treatment to residents at the **Batu Border Post, Krepkuri District, Nduga Regency, Papua**.

The medical team at **Batu Border Post** is always on standby, ready to serve those in need. On this occasion, **Praka Adil and Prada Rico**, the post's dedicated medics, welcomed the arrival of locals seeking medical attention. Among them was **Reona**, a resident who came to the post complaining of **fever and body aches**.

"Thank you, Mr. TNI, for examining me and giving me medicine," said Reona, expressing her gratitude for the care she received.

The **health and well-being** of the local population remain a **top priority** for the **Yonif 503/Mayangkara Task Force**. Their services extend beyond the post, as **TNI personnel regularly visit villages** to provide medical assistance directly to those in need.

24/7 Healthcare for the People of Papua

Task Force **Yonif 503/Mayangkara** ensures **round-the-clock** health services at **all of its posts** to cater to the **urgent medical needs** of the community.

"With the health services we have established at each Task Force post, we hope to provide the best and most satisfying medical care for the people of Papua," said **Lieutenant CKM Norman Wibowo**, Task Force doctor.

The **HABEMA Operations Command** has emphasized that this initiative is **more than just a mission**—it is a **humanitarian effort** aimed at improving the **quality of life in Papua**.

"The initiative of Task Force Yonif 503/Mayangkara to provide comprehensive healthcare services at the Batu Border Post is a testament to TNI's commitment to supporting basic community needs. This effort plays a crucial role in accelerating development in Papua," said **HABEMA Commander, Major General TNI Lucky Avianto**, following a report on the activities.

By combining **security operations with community engagement and public services**, **TNI continues to build strong bonds with the people of Papua**—ensuring that peace, stability, and prosperity remain at the forefront of their mission.
